

Family Commitment to Children's Day Out Society

I understand that the Children's Day Out program (CDO) is a cooperative program that requires parent & family participation to run effectively. Your time and effort is needed to support and sustain the vibrancy and quality of the program. With that in mind, the following commitments need to be made as a family to the Children's Day out Society.

1. I understand that each family is required to serve on the executive or perform one volunteer job **per child/per year**. I will sign up for our family's volunteer job(s) at the fall back to school meeting and I am aware that should our family not complete the requirements of this position, our volunteer deposit cheque of \$150 will be cashed.
2. I agree to perform one night clean up per year (per child). I will sign up for one of these evening night clean-up sheets at the fall back to school meeting. I am aware that should our family not complete this before the end of the school year, our \$75 night clean-up deposit cheque will be cashed.
3. I understand that each family is expected to participate in **all** fundraising activities for this program. I agree to support the fundraising activities for CDO this school year and understand that if I cannot do so, our fundraising deposit cheque of \$100 will be cashed.
4. I understand that each family is expected to participate in a Casino shift for this program (one per child). I understand that if I cannot do so, our \$500 Casino deposit cheque will be cashed.
5. I also agree to have **at least one parent** attend the **2** society meetings throughout the year. The meetings include Annual & General meetings scheduled in September and April respectively. I understand that if we are unable to fulfill this meeting requirement, our \$40 meeting deposit will be cashed.
6. I will treat every individual, including teachers, children and other volunteers with respect, dignity, and protect the physical and emotional well-being of every member. At CDO we strive to establish an atmosphere in which each member, adult and child, feels accepted, valued and respected so that they can learn and grow in a safe environment.
7. I understand that CDO's board members are all unpaid parent volunteers who have graciously stepped up to help keep CDO's program running smoothly. I understand that without our volunteer board's time and commitment, CDO's program would not exist. I agree to treat all board members with respect and dignity.

I understand that the Children's Day Out executive board has the right to refuse my volunteer status in the classroom. I understand that my membership in CDO will be revoked and my child will be asked to withdraw from the program if I fail to meet the commitments outlined above.
